your gateway
to Lake
Garda

Your Lake Garda holiday starts here

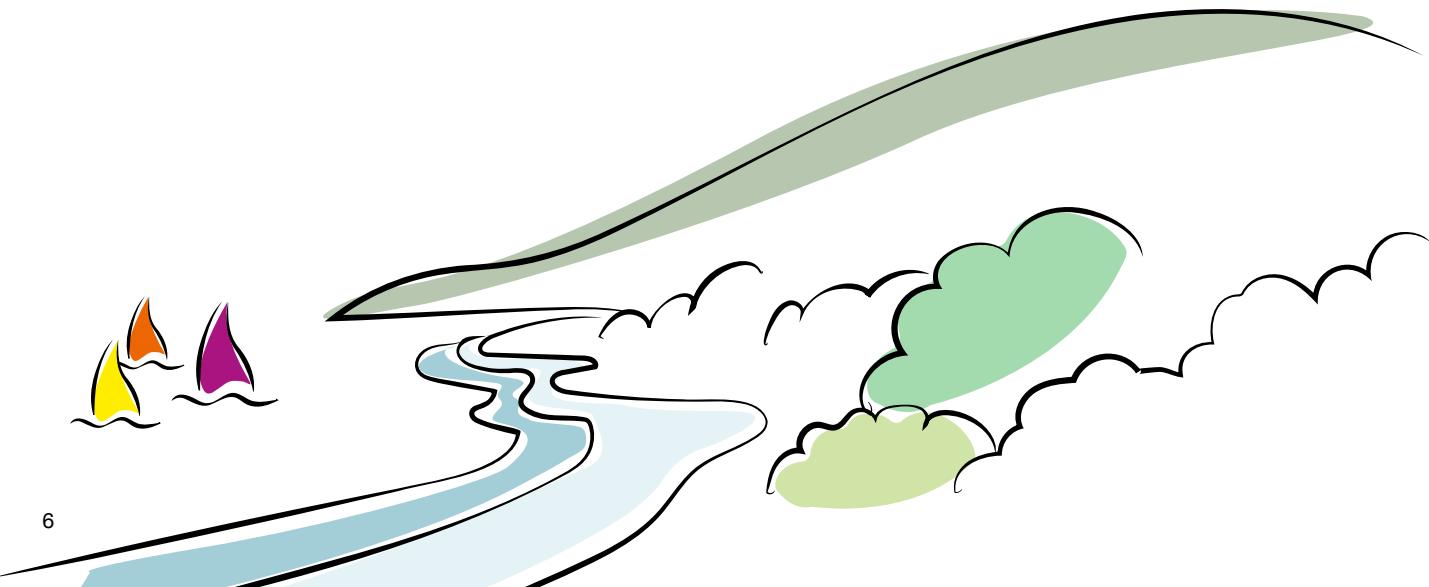

With over 60 years of expertise, Europlan unlocks the authentic soul of Lake Garda, offering well-appointed hotels and holiday apartments, reliable transfers, and carefully curated experiences.

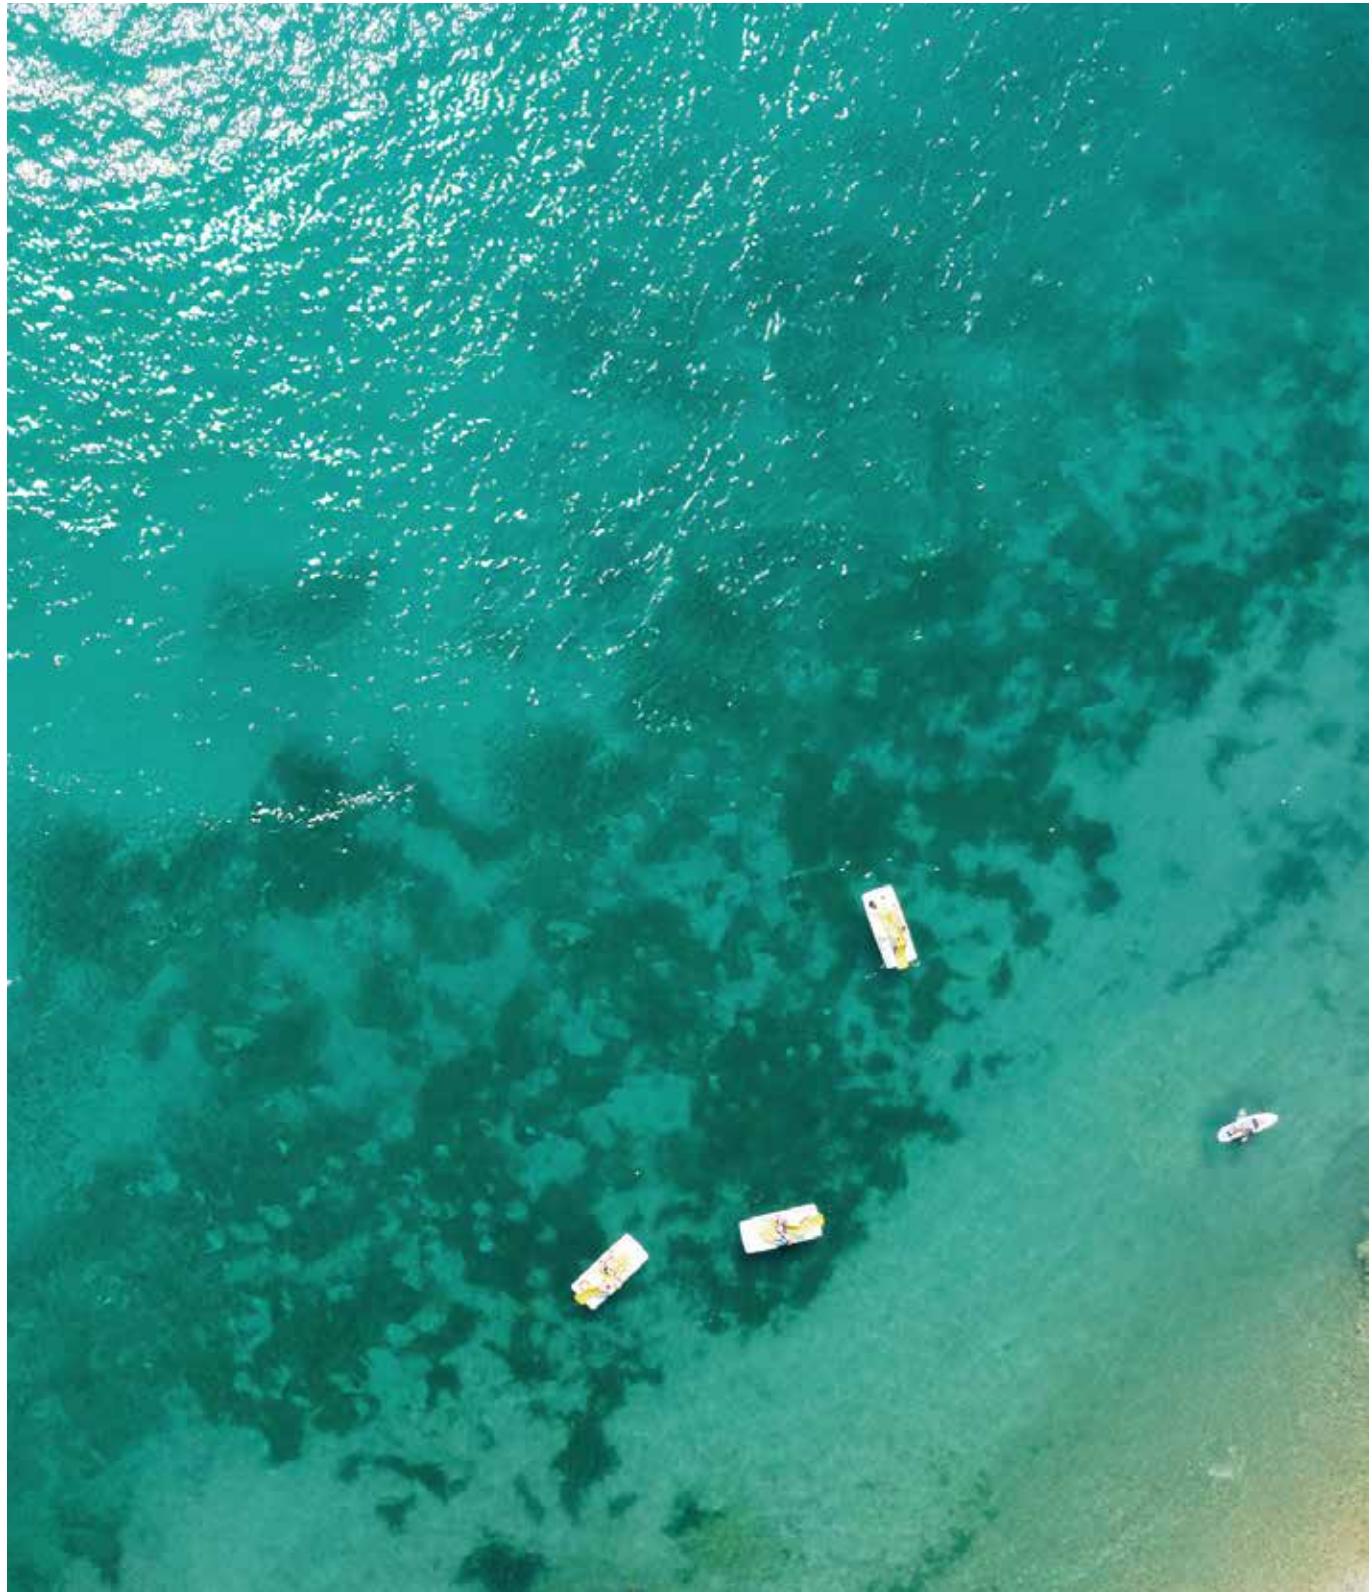

A single gateway to the lake and its surroundings, giving you the freedom to discover what makes each place unique – always backed by attentive, detail-oriented service.

Feel it. Live it. Love it.

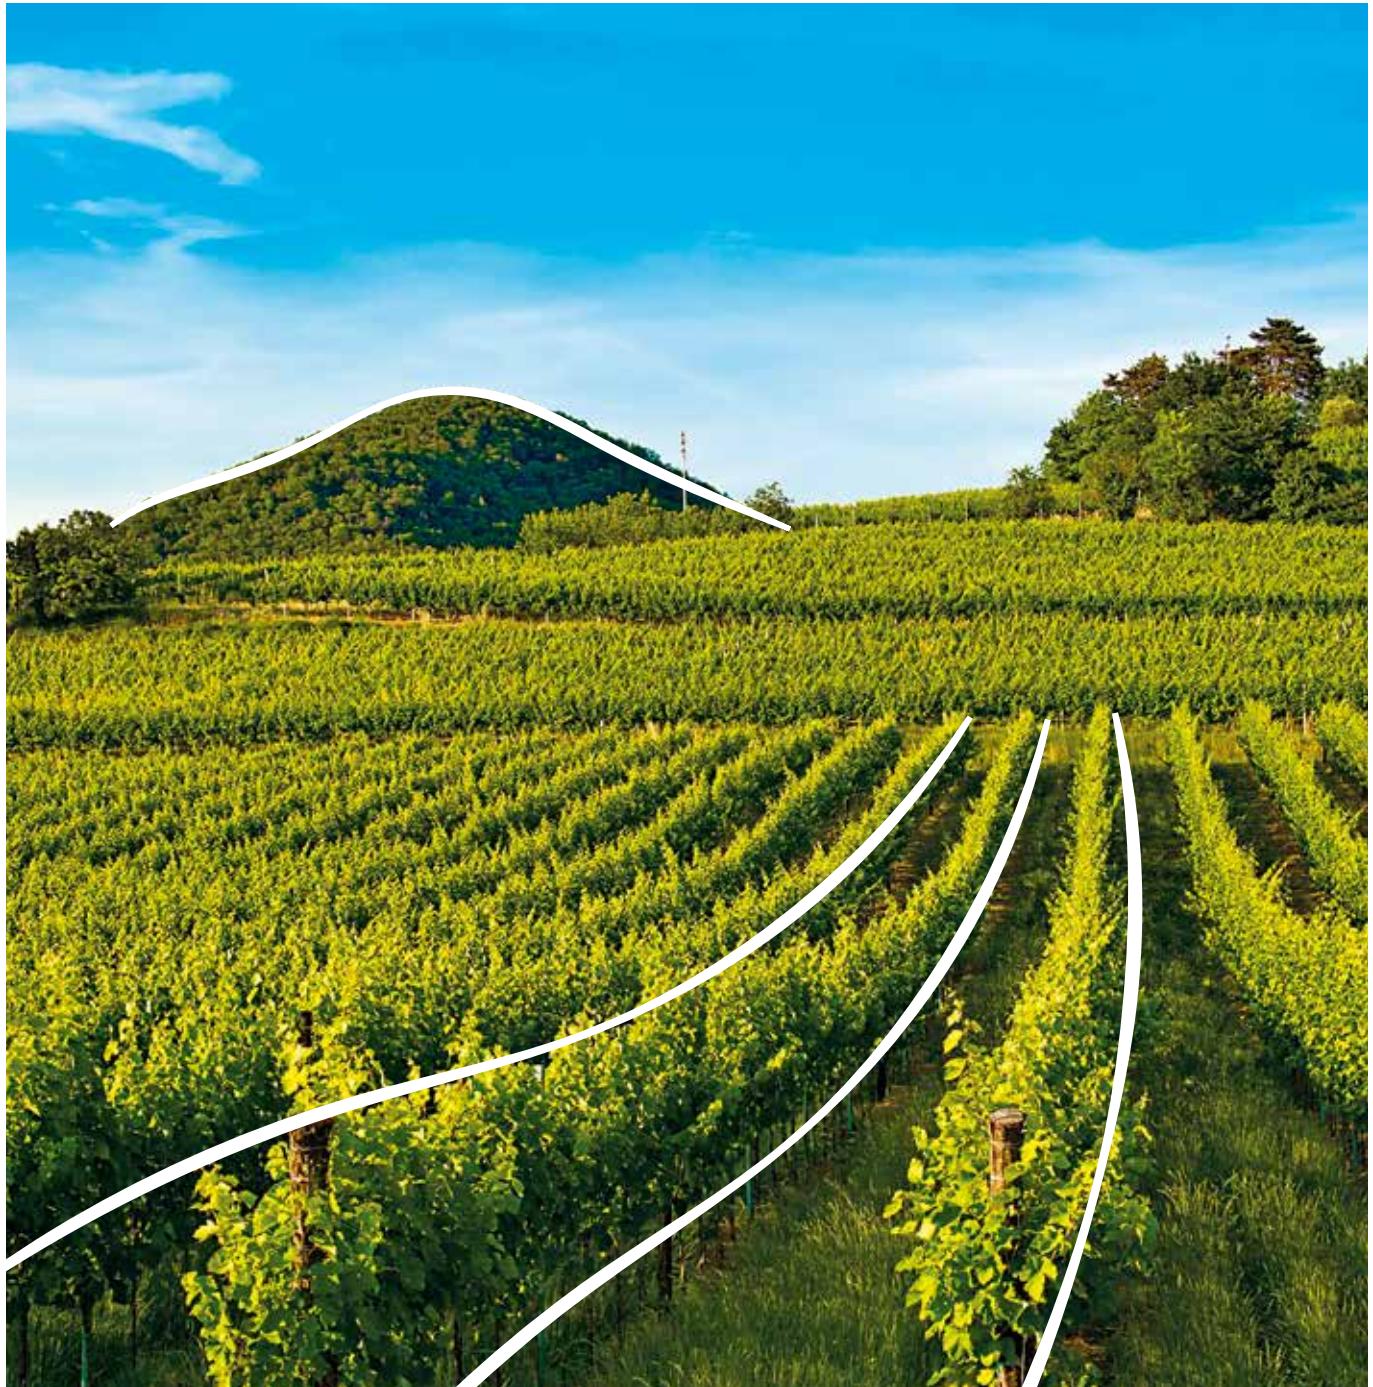

Lake Garda never stops surprising you. It's where azure waters meet rolling hills, wrapped in a charm that changes with every season. Along its sparkling shores, the essence of Italian life reveals itself: picturesque villages perched above the blue, lively marinas, the scent of lemons and olive trees, and a gentle breeze that follows you from sunrise to sunset.

Scenic paths winding through rolling vineyards and panoramic viewpoints open onto wide, peaceful vistas, while lakeside promenades are made for slow walks, gelato in hand, eyes drawn to the horizon. Timeless castles, small piazzas and postcard-perfect spots mark each borgo, every one with its own character, its own rhythm, its own charm.

On Lake Garda, every day finds its own way to be special: a morning bike ride, a refreshing dip in calm waters, and delectable al fresco dinners as the lake takes on a golden glow. Lake Garda has a way of finding a place in your heart, of speaking to you even after the holiday is over – a place to dream of, to experience, and, inevitably, to love.

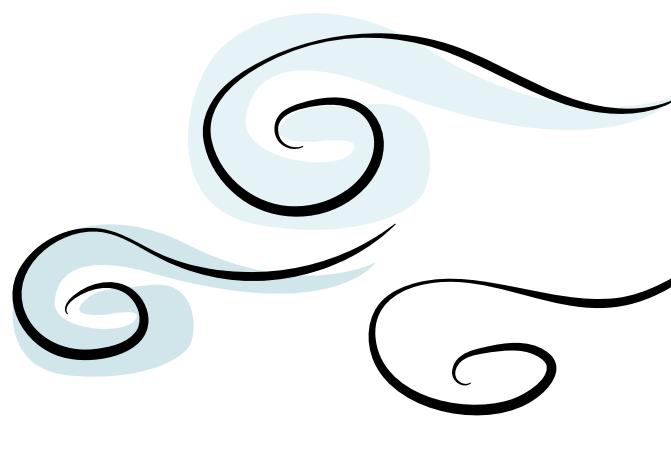

San Nicolò
1925 - 2025

From the deck of the San Nicolò, Lake Garda feels like a postcard from another time. Built in 1925, its masts and sails whisper stories of passion, dedication and tradition.

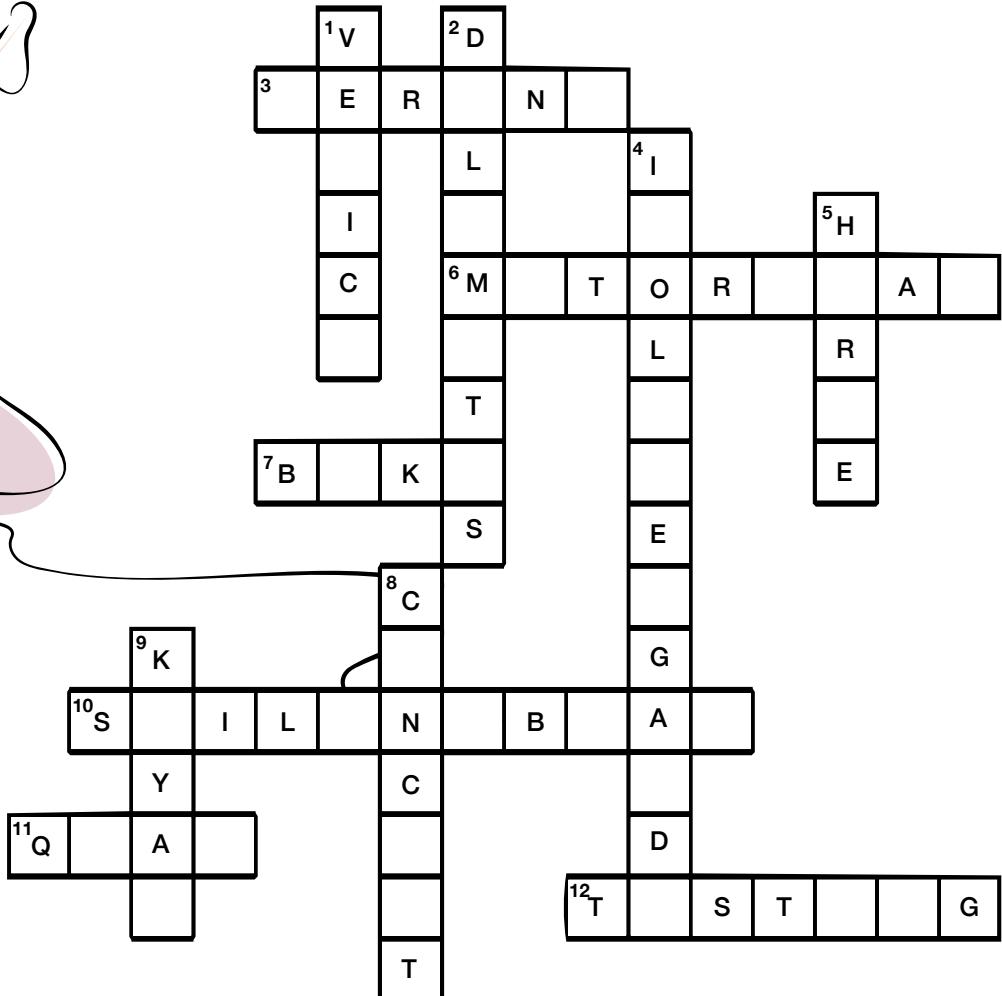

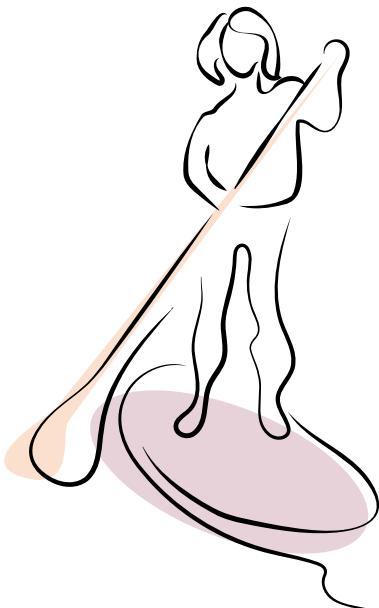

Today, stepping on board this two-masted ketch is like slipping back into another era: the rhythm of the water, the wind in the sails and the scent of wood evoke a Lake Garda that quietly continues its tale. A classic atmosphere blends seamlessly with modern comforts, background music, audio stories and carefree moments. Perfect for sunset cruises or personalised tours, it's a unique way to experience the lake with the elegance of yesterday and the comfort of today, letting every moment on board become a memory to keep.
